Honorable Daniel K. Inouye  
U.S. Senate  
Washington, DC 20510

Dear Senator Inouye:

The employees of the Central Intelligence Agency and I would be honored if you would agree to participate in our Agency lecture series on foreign affairs, which we call the CIA Guest Speaker Program. The date we have in mind is Tuesday, 14 December 1976, at 3:00 PM in the CIA Auditorium at Langley. The topic we suggest is Congressional Oversight of the Intelligence Community.

The CIA Guest Speaker Program, an outgrowth of Dr. Schlesinger's efforts to enlarge CIA's contact with the academic world, was inaugurated by William Colby and is now in its fourth year. It has been highly successful, a source of intellectual stimulus to our employees and, we think, of pleasure to our speakers. They have been drawn from both academic and official circles and have included such notables as [redacted] Dr. Wernher von Braun, Ambassador Ellsworth Bunker, and [redacted] Employees of other agencies of the Intelligence Community are also invited to attend.

Our employees would benefit greatly from having your perspective, as Chairman of the Senate Select Committee on Intelligence, on the vital subject of Congressional oversight. We hope you will be able to find room in your busy schedule for us. If 14 December is not a convenient date, we would be glad to select another time, preferably a second Tuesday of the month, as the occasion of your lecture.

The pattern of our Guest Speaker Program is usually a 40- to 45-minute address followed by a 30- to 45-minute question period. We can promise you a lively audience of 400-500.

I have asked our Legislative Counsel, Mr. George Cary, to be in touch with you personally and to make himself available to answer any questions you may have. I will hope for a favorable reply.

Sincerely,

STATINTL

  
George Bush
